General Information

The Glassell Junior School is an art school for young people, devoted to nurturing creativity and dedicated to fostering an appreciation of the arts and an awareness of the world. Classes and workshops for children ages 4 through 18 are offered year-round. A distinguishing feature of classes at the Glassell Junior School is ready access to works of art in the collections of the Museum of Fine Arts, Houston.

We welcome our summer 2023 students to the recently opened Glassell School of Art! The state-of-the-art, L-shaped building features new classroom studios, gathering spaces, and exhibition galleries, as well as a street-level coffee bar. The school is adjacent to The Brown Foundation, Inc. Plaza, which provides ample outdoor space, including sculptures and a water feature. Atop the school is the PNC Roof Garden, a sloping, walkable green roofline offering dramatic views of downtown and the Museum campus.

Permission to Leave Campus

Children ages 12 and up can be given permission to leave campus unescorted by a parent or guardian in order to walk home, ride the bus, etc. Permission can be granted at the time of enrollment on the registration form (online or paper form), or by emailing the school at juniorschool@mfah.org. Students under the age of 12 must be picked up by a parent/guardian.

Pickup Policy

Every Junior School student must be picked up by a parent or authorized caregiver no later than 15 minutes after the student's class ends. Neither the School nor its staff can be held responsible for students who are not picked up within this 15-minute window. In the event that you have a personal emergency and are unable to arrive on time, you must call the Junior School office at 713-639-7700. Students are not allowed to walk through the parking garage unescorted by a parent or guardian (unless they've received written parental permission to leave campus).

Parking

Parking is available at the Glassell School's underground parking garage at 5101 Montrose Blvd. Free parking is available for up to 30 minutes. Space is limited. Please visit mfah.org/visit/parking for additional information and fees for parking 31 minutes or more. Street parking is available in the surrounding neighborhood. Observe and comply with all “No Parking” signs/regulations when parking on the street.

Valuables

The School encourages its students to leave all valuables and all personal or sentimental items at home. The MFAH is not responsible for loss of or damage to a student's valuables or personal items.

Discipline/Dismissal

The School reserves the right to remove students from classes for behavior that is deemed to be rude, disruptive, inappropriate, dangerous, or in violation of school health and safety regulations. Individual instructors maintain the right to dismiss a student from a class with a prior warning, and to remove a student permanently from a class for repeated offenses. In the event of ongoing behavior problems, the student will be dismissed from the School with no refund and no access to further programming. Students may also be dismissed for nonpayment of any tuition or fees.

Inclement Weather

In the event of inclement weather, the School makes every effort to make an announcement about class cancellations as quickly as possible. In general, the Junior School generally follows weather closures as posted by the Houston Independent School District when in session. Information regarding Junior School class cancellations will be available in a recorded message at 713-639-7700, at the MFAH web site (mfah.org), and posted at the School when possible. If a class is canceled due to inclement weather, there are no refunds or make-ups.

Illness

In order to protect the health of all, the School prohibits students from attending class when ill with a communicable disease or condition such as chicken pox, the flu, head lice, pink eye, strep throat, or symptoms of COVID-19. The School reserves the right to notify parents/guardians regarding any student who becomes ill during class and to request that said student be picked up immediately. The School also reserves the right to request a physician's authorization for return to class.

Enhanced Health and Safety Procedures

Program procedures, which are under continuous review and are subject to change, include but are not limited to the following:

Masks are recommended but not required.

Restroom breaks are staggered appropriately. Restrooms are cleaned and sanitized throughout the day, with extra attention to high-touch surfaces like faucets and door handles.

All classrooms and public areas are thoroughly cleaned and sanitized at the end of each day.

Instructors clean and sanitize communal classroom supplies and equipment before, during, and after each class. Older students will be asked to assist with cleaning their individual workstations.

Students may not use personal electronic devices during class, unless medically necessary.

Media Release

By enrolling in the program, students and their guardians acknowledge and agree that any photos, videos, pictorial images, voice recordings, or quotations including those of students taken or created by the MFAH (including without limitation any taken by any photographer or videographer paid by or volunteering for the MFAH) during or related to attending courses at the MFAH are the sole property of the MFAH and may be used in future publications, web pages, promotions, advertisements, and exhibits of the MFAH (or any other person authorized to use such images by the MFAH) without the need of any additional permission from or consideration to the student or guardian. By enrolling in the program, students and their guardians agree to release and waive for the student, and anyone claiming through the student, all claims based on the right of privacy, right of publicity, moral rights, or any other intellectual property rights related to the rights granted by the student to the MFAH.

Information Release

Photographs and other personally identifiable information, such as age or name, may be published by the Junior School or the MFAH in any future publications, web pages, promotions, advertisements, or exhibits. By enrolling in the program, parents/guardians agree to release the Junior School and its agents and waive for the student all claims based on right of privacy or publicity and any other intellectual property rights.

Parents/guardians may opt out of this information release without affecting their child's enrollment in the Junior School by requesting an Information Release Form from a Junior School administrator.

Students with Special Needs

The Junior School is happy to provide reasonable accommodations to children with qualifying special needs under the ADA. Under the ADA, qualifying "special needs" are medical conditions that substantially limit one or more of a student's major life activities/functions (e.g., life-threatening allergies, asthma, and diabetes). Students with qualified special needs may request reasonable accommodations. Should you wish to request such accommodation, please contact an administrator at the Junior School office and complete the appropriate request forms at least two (2) weeks before the student starts classes so that the School may prepare appropriately.

Emergency Medications

Junior School faculty and staff are prohibited from administering medication to children and the School does not permit medication (OTC or prescription) on campus with the exception of emergency medications. Emergency medications are defined as (1) Epi-pens and (2) asthma inhalers, and (3) insulin pumps. Parents/guardians are responsible for supplying the Junior School with all necessary emergency medications and ensuring that such medications are not expired. All emergency medications must be accompanied by a prescription from a licensed professional and must be in the original container with your child's name and all labels intact. Please contact an administrator at the Junior School office at least two (2) weeks before the student starts classes so that the School may prepare appropriately.

Please note: The School office will not accept or administer medications without a prescription, nor medications that have expired. Due to possible side effects, the first dosage of new medicine must be taken at least 24 hours prior to attending the program.

Parents/guardians are always welcome to remain on site and may visit their child at any time to administer necessary medications. The School also encourages you to consult with your child's physician to adjust medication dosages appropriately to accommodate the class schedule.

For students with food allergies, please note that Junior School faculty and staff do not monitor what other children bring on campus for snacks and cannot guarantee a "nut-free environment."

Use of Facilities

The School facilities are for use only by registered students. Outside visitors, including former students, are not permitted to use any of the facilities or equipment under any circumstances. Visitors are not permitted in classrooms.

Waiver and Release of Liability

Although the MFAH hopes that no student is ever injured or hurt, injuries are a possibility of participation in the Junior School. The risk of injuries is a risk that the students and/or their legal guardian voluntarily agree to assume in exchange for the privilege of participating in the Junior School.

The students and/or their legal guardian understand and agree that this risk is not a risk that the MFAH assumes and that the MFAH is not responsible for any injuries to the students. Accordingly, the student and their legal guardian voluntarily release, discharge, and waive the right to sue the MFAH and its directors, trustees, officers, employees, volunteers, agents and all

persons acting by, through, under, or in concert with the MFAH for any and all losses, demands, claims, suits, causes of action, liability, costs, expenses, and judgments whether arising in equity, at common law, or by statute, under the law of contracts, torts, or property, for personal injury (including without limitation emotional distress), arising in favor of the guardian, the student, or anyone claiming through us based upon, in connection with, relating to or arising out of, directly or indirectly, the student's participation in the Junior School EVEN IF ANY SUCH CLAIMS ARE DUE TO THE RELEASED PARTIES' OWN NEGLIGENCE, STRICT LIABILITY WITHOUT REGARD TO FAULT, VIOLATION OF STATUTE, OR OTHER FAULT, INCLUDING ANY NEGLIGENT ACT, OMISSION, OR INTENTIONAL ACT INTENDED TO PROMOTE MY CHILD'S SAFETY OR WELL-BEING.

The student and/or legal guardian hereby grants permission to the MFAH to obtain emergency medical treatment for the student if the MFAH deems in its discretion that such emergency medical treatment is necessary.

The Annual Fund Drive Supports the Glassell School of Art

Operational costs for the Glassell School are not covered by tuition alone. The Glassell School relies on generous contributions from students and alumni who contribute to the Glassell School Annual Fund Drive. These important donations provide for the most basic, day-to-day necessities of the school. From providing essential upkeep of the facilities and supporting the faculty and staff, to enabling scholarships, affordable tuition rates, and special programs, the Glassell School Annual Fund Drive is critical for the ongoing success of the school.

For more information about the Annual Fund Drives or the Leadership Circle, please contact Haley Horan, senior development officer, Annual Campaigns, by phone at 713-639-7559 or email at hhoran@mfah.org.

We wish to thank and recognize those who made recent contributions to the Glassell School of Art Annual Fund Drive:
