# WELCOME

On behalf of the entire Glassell faculty and administration, I would like to extend a warm and heartfelt welcome. This spring, we are excited to provide courses designed to inspire and challenge you. Our curriculum, built on a foundation of coauthored excellence, offers the tools and guidance necessary to help you develop your skills and express your unique vision. Our dedicated faculty are here to support your growth and help you push the boundaries of your practice.

In reaching forward this semester, we are bringing on new, innovative courses, while at the same time acknowledging the use of historic media that has informed our education. We are pleased to now offer foundational courses in all media, providing you with the opportunity to build a solid base in your chosen discipline. If you're looking to broaden your perspective, consider an art history class to deepen your understanding of the cultural contexts that have shaped the art world. Whether you're drawn to Film Salon, Stitching on Canvas, or any of the myriad of dynamic and expansive courses we offer, there is something here to inspire your creative journey.

We continue to enrich the student experience in many ways. Our galleries will feature the work of Margaret O'Brien-Nelson in our inaugural Director's Choice exhibition, followed by the dynamic Core, Certificate of Achievement, and Student exhibitions. We're proud to welcome the Jubilee Quilt Circle in residence at Glassell, continuing the collaborative spirit of One Glassell and our commitment to the Houston community. Through partnerships like this, we share knowledge, embrace new perspectives, and strengthen our role as a civic institution. We hope you will join us on one—or all—of our spring study trips to Athens, New York, and Marfa for an in-depth look into the particular cultures that make these places unique!

As we move through the semester, we remain committed to nurturing a supportive environment where every student can thrive and reach their fullest potential. As always, my door is open to anyone wanting to stop by and say hello.

Best,

**Paul Coffey**

### **From Minimalism to Marfa: Study Trip**

AW 541

*No prerequisite*

Tuition            \$2,200

Dates:            Thursday, May 1–Sunday, May 4

Tolleson

In this four-day immersive field trip students will accompany Core fellow Max Tolleson to Marfa, Texas, to explore the artistic activities of Donald Judd. Judd is often associated with the world of Minimalism, his practice ranging from object making to museum building to architectural interventions in Marfa. Judd’s museum, the Chinati Foundation, was designed as a place where art could be experienced as an ordinary component of daily life, in situ with the high desert grasslands, wide open skies, and local architectural traditions of Marfa. In this way, the Chinati Foundation extended Minimalism’s interest in “actual space” to the “actual place” of Marfa. Over the course of this field trip, students will examine art installations at the Chinati Foundation and within the wider context of Marfa and discuss how they incorporate local history; how the curatorial tactics Judd and other artists deployed evoke direct bodily engagement; and how Judd’s architectural interventions blur boundaries between art and daily life in ways that have transformed Marfa into an art-tourism destination. This field trip will require significant amounts of time outdoors and in high desert conditions. **Round-trip transportation via luxury coach bus is included in tuition. Students are responsible for their own lodging.**

Glassell Student Art Sale

## **THE ANNUAL FUND DRIVE SUPPORTS THE GLASSELL SCHOOL OF ART**

Operational costs for the Glassell School are not covered by tuition alone. The Glassell School relies on generous contributions from students and alumni who contribute to the Glassell School Annual Fund Drive. These important donations provide for the most basic, day-to-day necessities of the school. From providing essential upkeep of the facilities and supporting the faculty and staff to enabling scholarships, affordable tuition rates, and special programs, the Glassell School Annual Fund Drive is critical for the ongoing success of the school.

For more information about the Annual Fund Drives or the Leadership Circle, please contact Haley Horan, senior development officer, at 713-639-7559 or [hhoran@mfah.org](mailto:hhoran@mfah.org). You may also visit [mfah.org/support/glassell](http://mfah.org/support/glassell).
