

MFA Parking and Transportation

At the Museum

The Museum owns two parking garages: The garage at **1144 Binz Street** is above ground, and the new garage at **5101 Montrose Boulevard** is below ground. Fees apply to park in the garages. Due to the ongoing expansion of the Museum's Susan and Faye S. Sarofim Campus, periodic and temporary closures of these garages may occur. Before your next visit, please check mfah.org/parking for updates.

Near the Museum

Free and paid parking options are available in lots and streets surrounding the Museum and throughout the Museum District. These parking locations are not owned or operated by the Museum of Fine Arts, Houston.
